HOW TO ACCESS THE MEETING ONLINE

The Corporation is conducting a virtual only Meeting. Registered Shareholders and duly appointed proxyholders can attend the Meeting online at <https://meetnow.global/MFWVMKV>

Registered Shareholders and duly appointed proxyholders can participate in the Meeting by clicking “Shareholder” and entering a control number or an invite code (“**Invite Code**”), as applicable, before the start of the Meeting.

- Registered Shareholders: the 15-digit control number is located on the Form of Proxy or in the email notification you received.
- Duly Appointed Proxyholders: Computershare Trust Company of Canada OR Computershare Investor Services Inc. will provide the proxyholder with an Invite Code by email after the Proxy Deadline has passed.

Attending and voting at the Meeting will only be available for Registered Shareholders and duly appointed proxyholders.

A shareholder is a non-registered shareholder (a “**Non-Registered Shareholder**”) if its Shares are registered in the name of an intermediary, such as an investment dealer, brokerage firm, bank, trust corporation, trustee, custodian, administrators of self-administered RRSPs, RRIAs, RESPs and similar plans or other nominee, or a clearing agency in which the intermediary participates (each, an “**Intermediary**”). Non-Registered Shareholders who have not appointed themselves as proxyholders to participate and vote at the Meeting may login as a guest, by clicking on “Guest” and complete the online form; however, they will not be able to vote or submit questions.

Shareholders who wish to appoint a third-party proxyholder to represent them at the Meeting must submit their Form of Proxy or voting instruction form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a Shareholder has submitted their Form of Proxy or voting instruction form. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving an Invite Code to participate in the Meeting.

To register a proxyholder, Shareholders MUST visit <https://www.computershare.com/Vecima> by 10:00 am (PT) on Thursday, December 12, 2024 and provide Computershare with their proxyholder's contact information, so that Computershare may provide the proxyholder with an Invite Code by email. Without an Invite Code, proxyholders will not be able to attend and vote at the Meeting.

In order to participate online, Shareholders must have a valid 15-digit control number and proxyholders must have received an email from Computershare containing an Invite Code.

The virtual Meeting platform is fully supported across most commonly used web browsers (note: Internet Explorer is not a supported browser). We encourage you to access the Meeting prior to the start time. It is important that you are connected to the internet at all times during the Meeting in order to vote when balloting commences.

PARTICIPATING IN THE MEETING

The Meeting will only be hosted online by way of a live webcast. Shareholders will not be able to attend the Meeting in person. A summary of the information Shareholders will need to attend the virtual Meeting is provided below.

- Registered Shareholders and Appointed Proxyholders: Only those who have a 15-digit control number, along with duly appointed proxyholders who were assigned an Invite Code by Computershare (see details below for how to appoint a third-party proxyholder) will be able to vote and submit questions during the Meeting. To do so, please go to <https://meetnow.global/MFWVMKV> prior to the start of the Meeting to login. If you are a Registered Shareholder, click on “Shareholder” and enter your 15-digit control number or if you are an appointed proxyholder click on “Invitation” and enter your Invite Code.
- United States Beneficial Shareholders: To attend and vote at the Meeting, you must first obtain a valid “Legal Proxy” from your broker, bank or other agent and then register in advance to attend the Meeting. Follow the instructions from your broker or bank included with the proxy materials or contact your broker or bank to request a “Legal Proxy.” After first obtaining a valid Legal Proxy from your broker, bank or other agent, you must submit a copy of your Legal Proxy to Computershare in order to register to attend the Meeting. Requests for registration should be sent:

- o By mail to: COMPUTERSHARE
100 UNIVERSITY AVENUE 8TH FLOOR
TORONTO, ON M5J 2Y1
- o By email at: USLegalProxy@computershare.com

Requests for registration must be labeled as “Legal Proxy” and be received no later than 10:00 am (PT) on Thursday, December 12, 2024. You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the Meeting and vote your shares at <https://meetnow.global/MFWVMKV> during the meeting. Please note that you are required to register your appointment at <https://www.computershare.com/Vecima>.

HOW TO VOTE

Only a Registered Shareholder (or a Non-Registered Shareholder) whose name appears on the certificate(s) representing its Shares or its duly appointed proxy nominee is permitted to vote at the Meeting. A Non-Registered Shareholder’s Shares are registered in the name of an Intermediary. Accordingly, most shareholders are “Non-Registered Shareholders” because the Shares they own are not registered in their names but are instead registered in the name of the Intermediary through which they purchased the Shares. More particularly, a person is a Non-Registered Shareholder in respect of Shares which are held on behalf of that person, but which are registered either: (a) in the name of an Intermediary that the Non-Registered Shareholder deals with in respect of the Shares; or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In Canada, most of such Shares are registered under the name of CDS, which acts as nominee for many Canadian brokerage firms. Shares so held by brokers or their nominees can only be voted upon the instructions of the Non-Registered Shareholder. Without specific instructions, Intermediaries are prohibited from voting Shares held for Non-Registered Shareholders.

Registered Shareholders can vote their Shares in the following ways:

1. **By Mail:** Please complete, sign, and return the enclosed form of proxy (the “**Form of Proxy**”) prior to the Proxy Deadline (as defined below) by mail to: Computershare Investor Services Inc., 100 University Ave, 8th Floor Toronto, Ontario M5J 2Y1
2. **By Telephone:** Registered Shareholders based in Canada or the United States may vote by telephone prior to the Proxy Deadline (as defined below) by calling the number provided on the Form of Proxy. You will need to enter your 15-digit control number (located on the bottom left corner of the first page of the Form of Proxy) to identify yourself as a Registered Shareholder on the telephone voting system.
3. **Internet Voting:** You may vote over the internet prior to the Proxy Deadline (as defined below) by going to <http://www.investorvote.com>. You will need to enter your 15-digit control number (located on the bottom left corner of the first page of the Form of Proxy) to identify yourself as a Registered Shareholder on the voting website.
4. **During the Meeting:** Registered Shareholders and duly appointed proxyholders may participate and vote during the Meeting. A Registered Shareholder (or a Non-Registered Shareholder who has appointed themselves or appointed a third-party proxyholder to represent them at the Meeting), will appear on a list of proxyholders prepared by Computershare, who is appointed to review and tabulate proxies for this Meeting. To be able to vote their shares at the Meeting, each Registered Shareholder or proxyholder will be required to enter their control number or Invite Code, as applicable, provided by Computershare at <https://meetnow.global/MFWVMKV> prior to the start of the Meeting.

In order to vote, Non-Registered Shareholders who appoint themselves as a proxyholder MUST register with Computershare at <https://www.computershare.com/Vecima> AFTER submitting their voting instruction form in order to receive an Invite Code (see details below for how to appoint a third-party proxyholder).

The Corporation encourages Shareholders (as defined below) to vote in advance of the Meeting using either the Form of Proxy or the voter instruction form mailed to them with the Meeting materials and submitting them by no later than 10:00 a.m. (PT) on Thursday, December 12, 2024 (the “**Proxy Deadline**”). Non-Registered Shareholders will receive voting instructions from the Intermediary (usually a bank, trust corporation, broker, securities dealer, or other financial

institution) through which they hold their Shares. Please follow the instructions provided on your voting instruction form to vote your Shares.

The individuals named in the Form of Proxy are directors and/or officers of the Corporation. A Registered Shareholder who wishes to appoint a third-party proxyholder to represent them at the Meeting must submit their Form of Proxy or voting instruction form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a Shareholder has submitted their Form of Proxy/voting instruction form. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving an Invite Code to participate in the Meeting.

To register a proxyholder, Shareholders MUST visit <https://www.computershare.com/Vecima> by 10:00 am (PT) on Thursday, December 12, 2024 and provide Computershare with their proxyholder's contact information, so that Computershare may provide the proxyholder with an Invite Code via email. Without an Invite Code, proxyholders will not be able to attend and vote at the Meeting.

A proxy shall not be valid unless the completed, dated, and signed Form of Proxy is received by Computershare Investor Services Inc. ("**Computershare**"), Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, by 10:00 am (PT) on Thursday, December 12, 2024, or not less than 48 hours (excluding Saturdays, Sundays, and holidays) before any adjourned or postponed Meeting. If a Registered Shareholder who has submitted a Form of Proxy attends the Meeting via phone or online and has accepted the terms and conditions when entering the Meeting, any votes cast by such Registered Shareholder on a ballot will be counted and the submitted Form of Proxy will be disregarded.

A Registered Shareholder who has given a Form of Proxy may revoke it by:

1. an instrument in writing executed by the Registered Shareholder or by his or her attorney authorized in writing or, where the Registered Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to: (i) to Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1; or (ii) to the offices of the Corporation, 771 Vanalman Avenue, Victoria, British Columbia, V8Z 3B8, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof;
2. by sending another Form of Proxy with a later date to Computershare before 10:00 a.m. (PT) on Thursday, December 12, 2024 or at least 48 hours (excluding Saturdays, Sundays, and holidays) before any adjourned or postponed Meeting;
3. by attending the Meeting and accepting the online terms and conditions; or
4. in any other manner provided by law.

A revocation of a Form of Proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES

These Meeting materials are being sent to both registered and non-registered shareholders of the Corporation (the "**Shareholders**"). If you are a non-registered shareholder or Beneficial Shareholder (as defined below) and the Corporation, or its agent, has sent these materials directly to you, your name, address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary/broker holding on your behalf.

Shareholders whose Shares are not registered in their own name are referred to in this Information Circular as "**Beneficial Shareholders**". There are two kinds of Beneficial Shareholders: those who have objected to their name being made known to the Corporation (called "**OBOs**" for Objecting Beneficial Owners) and those who have not objected (called "**NOBOs**" for Non-Objecting Beneficial Owners).

The Corporation can request and obtain a list of their NOBOs from intermediaries via Broadridge Financial Solutions, Inc. ("**Broadridge**") and can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Corporation has decided to directly send proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a voting instruction form from their intermediaries. These voting instruction forms are to be completed and returned in the postage paid envelope provided or by facsimile. Alternatively, NOBOs can call a toll-free number or access the transfer agent's dedicated voting website (each as noted on the voting instruction form) to deliver their

voting instructions and vote the Shares held by them. The transfer agent shall tabulate the results of the voting instruction forms received from NOBOs and shall provide appropriate instructions at the Meeting with respect to the Shares represented by voting instruction forms they receive. By choosing to send these materials to you directly, the Corporation (and not the intermediary/broker holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your instructions as specified in the request for voting instructions. NOBOs that wish to attend the Meeting and vote in person (or appoint someone else to attend the Meeting and vote on such NOBOs' behalf) can appoint themselves (or someone else) as a proxyholder by following the applicable instructions on the voting instruction form.

The Corporation intends to pay intermediaries/brokers to deliver to OBOs Meeting materials for the Meeting. Applicable regulatory policy requires intermediaries/brokers to whom Meeting materials have been sent to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs to ensure that their Shares are voted at the Meeting. Often, the Form of Proxy supplied to an OBO by its broker is identical to that provided to Registered Shareholders. However, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the OBO. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge. Broadridge typically prepares a special voting instruction form, mails those forms to the OBOs, and asks for appropriate instructions respecting the voting of Shares to be represented at the Meeting. OBOs are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, OBOs can call a toll-free telephone number or access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and vote the Shares held by them. Broadridge then tabulates the results of all voting instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. The voting instruction form must be returned as directed by Broadridge well in advance of the Meeting to have the Shares voted. OBOs who receive a Form of Proxy or voting materials from organizations other than Broadridge should complete and return such form of proxy or voting materials in accordance with the instructions on such materials to properly vote their Shares at the Meeting. OBOs that wish to attend the Meeting and vote in person (or appoint someone else to attend the Meeting and vote on such OBOs' behalf) can appoint themselves (or someone else) as proxyholder by following the applicable voting instructions.

Beneficial Shareholders are not entitled, as such, to vote at the Meeting in person or to deliver a Form of Proxy. If you are a Beneficial Shareholder and wish to appoint yourself as proxyholder to vote in person at the Meeting or appoint someone else to attend the Meeting and vote on your behalf, please see the voting instructions you received or contact your intermediary/broker well in advance of the Meeting to determine how you can do so. Beneficial Shareholders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, to have their Shares voted at the Meeting.

NOTICE AND ACCESS

The Corporation is not sending proxy-related materials to Registered Shareholders or Beneficial Shareholders using the "notice-and-access" provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* or National Instrument 51-102 – *Continuous Disclosure Obligations*.

EXERCISE OF DISCRETION

The management representatives designated in the enclosed Form of Proxy shall vote "for", "against" or "withhold", as applicable, from voting the Shares in respect of which they are appointed proxy on any ballot that may be called for in accordance with the instructions of the Shareholder as indicated on the Form of Proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares shall be voted accordingly. Where no choice is specified in the Form of Proxy, such Shares shall be voted "for" the matters described therein and in this Information Circular. The enclosed Form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. If amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management representatives designated in the enclosed Form of Proxy to vote in accordance with their best judgment on such matters or business. At the date of this Information Circular, the management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting.

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein.

CBCA AMENDMENTS TO VOTING – MAJORITY VOTING POLICY

On August 31, 2022, new provisions of the Canada Business Corporations Act (the “**CBCA**”) came into effect introducing a statutory majority voting requirement for uncontested director elections, where the number of nominees for director is not greater than the number of directors to be elected. Under the CBCA amendments, shareholders are allowed to vote “for” or “against” (as opposed to “for” and “withhold”) each director nominee. If a nominated director does not receive a majority of the votes cast for his or her election, such nominated director will not be elected, provided that in the case of an incumbent director who is not elected, such director may continue in office until the earliest of: (i) the 90th day after the election; and (ii) the day on which his or her successor is appointed or elected.

In addition, the Board is prohibited from appointing or re-appointing, as the case may be, any director nominee who failed to be elected except in limited circumstances to ensure that the Board is composed of the number of Canadian residents or the number of directors who are not officers or employees of the Corporation as is required by the CBCA. Any director nominee who fails to be elected may be nominated again at the next meeting of shareholders at which there is an election of directors.

The (i) direct experience of each CGCC member that is relevant to the performance of his responsibilities as a committee member, and (ii) skills and experience necessary for CGCC members to make decisions on the suitability of Vecima’s compensation policies and practices are described below:

The responsibilities, powers, and operation of the CGCC are set forth in the committee’s mandate, which is available on Vecima’s website at www.vecima.com. The CGCC’s mandate provides that it is responsible for:

1. reviewing management’s recommendations on Vecima’s compensation policies such as salary ranges, retirement plans, annual incentive bonuses and long-term incentive plans, including equity-based compensation programs and recommending the same to the Board of Directors;
2. reviewing and approving corporate goals and performance objectives relevant to the CEO of Vecima and evaluating performance of the CEO relative to these corporate goals and objectives;
3. recommending to the Board the base salary, cash incentive bonus, equity-based incentive awards and other compensation for the CEO of Vecima based on the evaluation of the corporate goals and objectives relating to the CEO;
4. setting the compensation of the CEO including plans and programs relating to cash compensation, incentive compensation, equity-based awards and other benefits and perquisites and for reviewing the overall compensation plans and philosophy for executive officers;

5. recommending to the Board, on an annual basis, the annual retainer, incentive-based compensation plans, equity-based plans and other compensation for the directors of Vecima;
6. administering any incentive-based compensation plan or equity-based plans; and
7. reviewing executive compensation disclosure before Vecima publicly discloses such information.

NAMED EXECUTIVE OFFICERS (“NEOs”)

The five NEOs who were the focus of the Compensation Discussion and Analysis for Fiscal 2024 are:

1. Sumit Kumar, President and CEO
2. Dale Booth, Chief Financial Officer
3. Clay McCreery, Chief Operating Officer
4. Ryan Nicometo, Senior Vice-President and General Manager, Video & Broadband Solutions
5. German Iaryczower, Senior Vice-President, Global Sales & Marketing

COMPENSATION PROGRAM OBJECTIVES

Vecima’s compensation program for NEOs is designed to award and achieve the following:

1. loyalty to Vecima;
2. strong business performance;
3. alignment of Vecima’s interests with those of Vecima’s Shareholders; and
4. strong communication and administrative skills.

ELEMENTS OF COMPENSATION PROGRAM

The compensation of Vecima’s NEOs consists of the following elements

1. base salary;
2. annual cash incentives;
3. equity-based long-term incentives;
4. contributions to a group registered retirement savings plan (“RRSP”) or 401k plan;
5. benefits and perquisites; and
6. termination and change of control arrangements.

Base Salary

The CGCC believes that competitive base salaries are important in attracting and retaining quality executives and simple to communicate and administer. Base salaries are intended to remunerate NEOs for fulfilling the basic requirements of their position. Base salaries are based upon individual responsibility, expertise, market competitiveness, experience, and contractual commitments. The salary for the CEO is reviewed and recommended annually by the CGCC and approved annually by the Board. The salaries of the remaining NEOs are determined annually by the CEO, in consultation with the CGCC. For Fiscal 2024, the base salaries of the NEOs were adjusted between 0% and 4.98%.

Annual Cash Incentives

Vecima provides the NEOs with annual cash incentives. The CGCC believes that annual incentives are important in attracting and retaining talented executives and motivating executive officers to deliver strong business performance. Annual cash incentives are intended to link a portion of the NEOs' compensation to Vecima's performance.

The annual cash incentive targets and eligible bonuses for the CEO are recommended by the CGCC and approved by the Board annually. The CEO determines the annual cash incentive targets and eligible bonuses for the other NEOs annually, in consultation with the CGCC.

The performance measures for the CEO that were used to determine the annual cash incentive for Fiscal 2024 and the rationale for utilizing those performance measures were:

Performance Measures		Rationale
1.	Revenue	Maintain and grow revenue
2.	Adjusted EBITDA after deferred development costs	Key indicator of ability to generate cash flow
3.	Strategic	Focused on future company direction and growth
4.	Operational	Tactical goals to grow profitability
5.	Leadership	Focused on future company direction and growth
6.	Mergers and Acquisitions	Growth

Actual Fiscal 2024 performance against the established performance measures is summarized in the table below:

CEO - Annual Cash Incentive				
		Performance Target	Amount as % of Base Salary	% Bonus Calculated
1.	Revenue	USD\$220.00 - \$272.82M	0% - 18.0%	6.5%
2.	Adjusted EBITDA after deferred development costs and capex	\$30.90 - \$44.85M	0% - 24.0%	0%
3.	Gross Profit Incentive Plan (GPIP)	\$144.4 - \$180.4M	Max 68.54%	36.1%
4.	Strategic, Operational, and Leadership	Subject to specific KPIs	0% - 8.9%	8.2%
5.	Mergers and Acquisitions	As determined by the Board	0% - 6.7%	6.7%%
6.	Discretionary			0.0%
TOTAL				57.4%

Fiscal 2024 cash incentives that could have been earned by the CEO were a percentage of base salary based on the five performance measures and percentage ranges shown above. The CEO was awarded a cash bonus based on achievement of performance measures equal to 57.4 % of base salary that is \$342,857.

Annual cash incentives for the CFO were based on Revenue, Adjusted EBITDA and the key performance indicators ("KPIs") associated with departmental performance. The CFO was awarded a cash bonus based on performance measures equal to 17.1% of a base salary that is \$211,000. The other NEOs' annual cash incentives were based on Revenue and Gross Margin targets. Vecima made cash incentive payments totaling \$ 1,123,007 to the other NEOs for Fiscal 2024.

The CGCC and the CEO, as applicable, can, subject to approval of the Board, exercise discretion to amend annual cash incentives absent attainment of performance goals, or to reduce or increase the size of any amount or payout. The CGCC and the CEO as applicable, can, subject to approval of the Board, also exercise discretion to grant additional

annual cash incentives to the NEOs based on such factors that the committee and the CEO, respectively, determines relevant. Cash incentives for the CEO and CFO are paid after the end of the fiscal year. For the other NEOs, certain payments are made quarterly and others annually, with final payments made after the end of the fiscal year.

Equity-based Long-term Incentives

The Corporation provides NEOs equity-based long-term incentive compensation through its Stock Option Plan and performance share unit plan, as amended (the “**PSU Plan**”). The CGCC believes that equity-based long-term incentives are important in attracting and retaining quality executives, motivating executive officers to deliver strong business performance, and aligning the interests of executives with those of the Shareholders. Previous grants may be taken into consideration when considering new grants. Details of the Stock Option Plan are described in this Information Circular under the heading “Securities Authorized for Issuance under Equity Compensation Plans.”

Registered Retirement Savings Plan

Vecima provides the NEOs, on the same basis as other employees of Vecima, with contributions to a group RRSP or 401K as applicable. The CGCC believes that the group RRSP and 401k plans are important in attracting and retaining quality executives and is simple to communicate and administer.

Vecima contributes an amount equal to 3% of the NEO's base salary to the group RRSP. The NEOs can also contribute an additional 0.75% that the Corporation matches to the group RRSP. The NEO can also make additional voluntary contributions to the group RRSP, for total combined contributions up to the legislated government maximums. The group RRSP account is self-directed, with each participating NEO able to choose from among the investment options offered by the administrator of the group RRSP. NEOs are eligible to participate in the group RRSP from the date of hire. Employer contributions to the group RRSP are subject to 100% vesting after the first year of employment and immediate vesting thereafter.

For NEOs residing in the US, Vecima contributes a matching contribution equal to 50% of the first 6% of the NEOs' total compensation to a 401K plan, subject to the annual total compensation limits set by the IRS. The NEO can also make additional voluntary contributions to the 401K, for total combined contributions up to the legislated government maximums. NEOs are eligible to participate in the 401K from the date of their hire. Employer contributions to the 401K plan are subject to 100% vesting after the first year of employment and immediate vesting thereafter.

Benefits and Perquisites

The CGCC does not believe that benefits and perquisites should represent a significant portion of the compensation package for NEOs. Accordingly, no material benefits or perquisites are currently provided to the NEOs that are not available to other employees of Vecima. Benefits and perquisites presently extended to NEOs include health, long-term disability, dental and group life insurance.

Termination and Change of Control Arrangements

The CGCC believes that termination and change of control benefits may be necessary to attract and retain quality executives. Termination benefits are appropriate, particularly with respect to a termination without cause since in that scenario, both Vecima and the NEOs have mutually agreed upon termination packages that are in place prior to any termination event that provides the flexibility to make changes in executive management if such change is in Vecima's best interests. Termination and change of control benefits were negotiated and set about comparable benefits granted to executives with similar positions in other similar companies, the experience level of the individual, the complexity of the position and other relevant market factors. For more information on severance and change in control arrangements for the NEOs, see “Employment Agreements and Termination and Change of Control Benefits” below.

Compensation Consultant

Vecima has not retained a compensation consultant or advisor to assist in determining compensation for any directors or executive officers at any time since Vecima's most recently completed fiscal year, nor has it paid any fees to such a compensation consultant or advisor during the two most recently completed fiscal years of Vecima.

Benchmarking

No formal benchmarking was used in determining any element of the compensation of the NEOs. Vecima periodically undertakes informal benchmarking against other North American small cap technology companies.

Risks Associated with Vecima's Compensation Policies and Practices

The CGCC is responsible for overseeing, and has periodically considered, risks associated with Vecima's compensation policies and practices. The practices Vecima uses to identify and mitigate compensation policies and practices that could encourage an NEO or individuals at a principal business unit or division to take inappropriate risks or excessive risks include regular monitoring of the business and requiring approval by the Board of all major corporate decisions. Vecima has not identified any risks arising from Vecima's compensation policies and practices that are reasonably likely to have a material adverse effect on Vecima.

Recovery of Compensation

Vecima has not developed a policy regarding the adjustment or recovery of awards, earnings, payments, or payables if the performance goal or similar condition on which they are based is restated or adjusted to reduce the award, earnings, payments, or payables.

Financial Instruments

Vecima has adopted a policy to prohibit NEOs and directors from purchasing financial instruments that are designed to hedge or offset any decrease in the market value of the Corporation's equity securities that are held, directly or indirectly, by the NEO or director.

Significant Changes to Compensation Policies and Practices in Fiscal 2024

Except as described in this Information Circular, there were no material actions, decisions or policies that were made after June 30, 2024, the end of Vecima's most recently completed fiscal year, that could affect a person's understanding of the NEOs' compensation for the most recently completed financial year. Vecima is not planning to make any significant changes to its compensation policies and practices in Fiscal 2025.

EMPLOYMENT AGREEMENTS AND TERMINATION AND CHANGE OF CONTROL BENEFITS

Sumit Kumar entered a renewed employment contract with Vecima effective August 1, 2018 for an indefinite term. Vecima may terminate Mr. Kumar's employment without cause either by providing him with 24 months' working notice, or by giving him immediate notice of termination with payment of 24 months' salary, in the form of salary continuance (subject to a duty to mitigate) or a lump sum at the Corporation's election, and an amount equal to double the amount of his last aggregate annual bonus. The agreement also provides for non-competition and non-solicitation covenants in Vecima's favour for a period of 18 months following the termination of employment. In the event of a change of control of Vecima, Mr. Kumar may treat the event as a notice of termination without cause. For the purposes of Mr. Kumar's contract, a "Change of Control" means a change in ownership representing 50% or more of the equity ownership of Vecima to a new party except for changes in ownership resulting from new shares offered on a recognized stock exchange and except for changes in ownership resulting from a transaction that takes Vecima private where the current majority shareholder retains ownership and control. If Mr. Kumar were involuntarily terminated by Vecima without cause or resigns with good reason after a Change of Control, his cash payment would be \$1,174,106 upon termination occurring on June 30, 2024. Mr. Kumar is also subject to confidentiality and non-disparagement obligations following termination.

Dale Booth has an employment agreement with Vecima that allows the Corporation to terminate his employment without cause at any time by providing one months' working notice (subject to a duty to mitigate) or payment in lieu for each year of service up to a maximum of six months. If Mr. Booth were involuntarily terminated by Vecima without cause, his cash payment would be \$105,500 upon termination occurring on June 30, 2024. Mr. Booth is subject to a six month non-compete and non-solicitation period following termination. Mr. Booth is also subject to confidentiality and non-disparagement obligations following termination. Mr. Booth retired from Vecima on September 16, 2024 and the Corporation appointed Judson Schmid as its Chief Financial Officer on that same date.

Clay McCreery has an employment agreement with the Corporation, through its subsidiary, that allows the Corporation to terminate his employment without cause at any time by providing salary continuation for a period of eight months;

provided that if the termination without cause is due to a Change of Control Event, Mr. McCreery is entitled to salary continuation for twelve months and a lump-sum payment in the amount of the incentive compensation paid to him for the immediately preceding two fiscal quarters. For the purposes of Mr. McCreery's agreement a "Change of Control Event" is defined therein as the entry by Vecima into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a Change of Control and "Change of Control" means when any person or corporate entity directly becomes the owner of more than 50% of the voting shares of Vecima. If Mr. McCreery were involuntarily terminated by Vecima without cause, his cash payment would be \$293,756 upon termination occurring on June 30, 2024. If Mr. McCreery were involuntarily terminated by Vecima without cause due to a Change in Control Event, his cash payment would be \$619,612 upon termination occurring on June 30, 2024. Payment of severance compensation is contingent on Mr. McCreery's execution of an agreement releasing claims against the Corporation and his compliance with the terms of his employment agreement, including a two year non-compete and non-solicitation period following termination. Mr. McCreery is also subject to confidentiality and non-disparagement obligations following termination.

Ryan Nicometo has an employment agreement with the Corporation, through its subsidiary, that allows the Corporation to terminate his employment without cause at any time by providing salary continuation for a period of six months. If Mr. Nicometo were involuntarily terminated by Vecima without cause, his cash payment would be \$205,307 upon termination occurring on June 30, 2024. Payment of severance compensation is contingent on Mr. Nicometo's execution of an agreement releasing claims against the Corporation and his compliance with the terms of his employment agreement, including a one year non-compete and non-solicitation period following termination. Mr. Nicometo is also subject to confidentiality and non-disparagement obligations following termination.

German Iaryczower has an employment agreement with the Corporation, through its subsidiary, that allows the Corporation to terminate his employment without cause at any time without a severance pay or any other form of compensation beyond that which earned through his separation date. His employment agreement includes a two-year non-compete and non-solicitation period following termination.

In addition to the foregoing, Vecima's Stock Option Plan provides that immediately after the occurrence of a "Change of Control Event", all-outstanding options that have not vested shall immediately vest. A "**Change of Control Event**" under the Stock Option Plan means the entry by Vecima into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a change of control (any person directly becoming the owner of more than 50% of the voting shares of Vecima), a formal bid the completion of which would result in a change of control, and the determination by the Board that a change of control has occurred. If a "Change of Control Event" occurred on June 30, 2024, the NEOs would receive the following benefits pursuant to options granted to them under the Stock Option Plan.

Name	Benefit ⁽¹⁾ (\$)
Sumit Kumar	-
Dale Booth	-
Clay McCreery	-
Ryan Nicometo	-
German Iaryczower	-

NOTE:

⁽¹⁾ Aggregate amount based on the difference between the closing market price of the Shares on the Toronto Stock Exchange on June 30, 2024, being \$20.89, and the exercise price of the options for which vesting is accelerated because of a "Change of Control Event".

In addition to the foregoing, the PSU Plan provides that the effect of a Change of Control Event on performance share units ("**PSUs**") granted to a participant shall be solely determined pursuant to the terms of the participant's respective PSU Agreement. Thus, in granting PSUs the Board has discretion to determine whether and on what terms the PSUs granted will be subject to vesting upon a Change of Control. A "**Change of Control Event**" under the PSU Plan means the entry by the Corporation into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a change of control (any person directly becoming the owner of more than 50% of the voting Shares). If a Change of Control Event occurred on June 30, 2024, the NEOs would receive the following benefits pursuant to the PSUs granted to them under the PSU Plan.

Name	Benefit ⁽¹⁾ (\$)
Sumit Kumar	-
Dale Booth	-
Clay McCreery	-
Ryan Nicometo	-
German Iaryczower	-

NOTE:

⁽¹⁾ Except as described above, there are no contracts, agreements, plans or arrangements that provide for payments to an NEO at, following or in connection with any termination (whether voluntary, involuntary, or constructive), resignation, retirement, a change in control of the Corporation or its subsidiaries or a change in an NEO's responsibilities (excluding perquisites and other personal benefits if the aggregate of this compensation is less than \$50,000). Under the PSU awards granted to the NEOs, their PSUs vest if Vecima's closing stock price is over a certain minimum dollar price specified in each PSU award for at least 20 consecutive trading days. None of the PSUs granted to NEOs would have vested under their specified vesting terms if a Change of Control had occurred on June 30, 2024.

NOTES:

⁽¹⁾ Share-based awards to NEOs are issued under the Corporation's PSU Plan. The Board has discretion in setting the terms of vesting for any PSU award. The vesting of each PSU granted to the NEOs is based on Vecima's closing stock price being higher than a certain minimum dollar price specified in each PSU award for at least 20 consecutive trading days. The PSUs granted to

NEOs expire within five years if the vesting terms have not been achieved during such period. The PSUs shown in this table are based on multiple awards granted to each NEO on different dates and thus have different expiration dates. The earliest expiration date for any of the outstanding PSUs is June 1, 2025.

- (2) The aggregate value of unvested PSUs is based on the closing market price of the Shares on the Toronto Stock Exchange on June 30, 2024 being 20.89 and assumes the vesting triggers for each PSU award had been achieved as of June 30, 2024. The aggregate value may never be realized for any PSUs that do not vest before their expiration date.

The following sets forth the total number of PSUs granted in each of the past three fiscal years.

STOCK OPTION PLAN

The following is a summary of the material terms of the Stock Option Plan. The following does not purport to be a complete description of the Stock Option Plan. The Stock Option Plan was originally adopted on September 15, 2005 and was amended November 12, 2008, December 7, 2011, November 27, 2017, May 28, 2020 and December 12, 2022. The Corporation has established the Stock Option Plan pursuant to which options to purchase Shares can be granted to eligible participants to:

2. recognize the contributions made by certain individuals to the Corporation's growth and development;
3. furnish an incentive to eligible participants to continue providing their services to the Corporation and its affiliates; and
4. provide a means through which the Corporation and its affiliates may attract qualified persons to engage as consultants, officers, directors, and employees.

Administration

The Stock Option Plan is administered by the Board, which includes any committee of the Board authorized to act with respect to the Stock Option Plan.

Number of Shares and exercise price

The maximum number of Shares that may be issuable from time to time under the Stock Option Plan is equal to 4% of outstanding Shares. Under the Amended Stock Option Plan, the maximum aggregate number of Shares which may, at any time, be:

1. Reserved for issuance pursuant to options granted to Insiders under the Stock Option Plan and any other share compensation arrangement shall be 10% of the outstanding Shares;
2. Issued to Insiders under the Stock Option Plan and any other share compensation arrangement within a one-year period shall be 10% of the outstanding Shares;
3. Issued to any one Insider (and such Insider's associates) under the Stock Option Plan and any other share compensation arrangement within a one-year period shall be 5% of the outstanding Shares;
4. Reserved for issuance to any one person pursuant to options granted under the Stock Option Plan and under any other share compensation arrangement shall be 5% of the outstanding Shares as at the date of grant of the options; and
5. Reserved under the Stock Option Plan together with any other share compensation arrangement shall be 10% of the outstanding Shares.

Eligibility

Options may be granted hereunder to Eligible Persons from time to time by the Board. Eligibility to participate shall not confer upon any Eligible Person any right to be granted options pursuant to the Stock Option Plan. The extent to which any Eligible Person shall be entitled to be granted options pursuant to the Stock Option Plan shall be determined in the sole and absolute discretion of the Board. “**Eligible Persons**” means any director, officer, employee or consultant of the Corporation or any Affiliate (as defined therein) of the Corporation or Permitted Associate (as defined therein) of such person.

Vesting

Unless otherwise specified by the Board at the time of granting an option, 25% of the Shares issuable under an option vest on the first anniversary of the date of grant. Additional rights to purchase equal to one-twelfth of the remaining 75% of the number of Shares issuable under an option will vest and become exercisable quarterly for each of the next 12 quarters.

Term of Options

The term of options is determined by the Board but may not exceed 10 years from the date of grant.

Exercise Price of Options

The exercise price shall be determined by the Board on the date of grant, but shall not be less than the market price of the Shares at the date of grant, calculated as the closing price of the Shares on the Toronto Stock Exchange (“**TSX**”) on the last trading day immediately preceding the date of grant.

Termination of Option Due to Change in Employment

Treatment of Options on Termination of Employment – Unless the Board determines otherwise, if a director, officer, employee or consultant of the Corporation or any affiliate, or a permitted associate of such a person to whom an option has been granted, or his or her legal personal representative as the context requires (a “**Participant**”) has their employment or position is terminated for any reason other than for cause, death, disability, or retirement, any option held by such Participant shall terminate, except that such option may be exercised for the lesser of 90 days or the balance of such option’s term.

Treatment of Options on Termination for Cause – Unless the Board determines otherwise, if a Participant’s employment or position is terminated for cause, any option held by such Participant shall thereupon terminate.

Treatment of Options on death, disability, or retirement – Unless the Board determines otherwise, if a Participant’s employment is terminated by reason of death, disability, or retirement, any option held by such Participant may thereafter be exercised for a period of 365 days (or such other period as the Board may specify) from the event or until expiration of the option, whatever period is the shorter.

Transferability

Options are not transferable or assignable by the Participant other than by will or the laws of descent and distribution and are exercisable during the lifetime of a Participant only by the Participant and after death only by the Participant’s personal representative, heirs, or administrators.

Effect of mergers, amalgamations, arrangements, and similar transactions

Treatment of options on Change of Control (as defined below) - Immediately after the occurrence of a Change of Control Event, all outstanding options that have not vested immediately vest and become exercisable in full. A “**Change of Control Event**” is defined in the Stock Option Plan as:

1. the entry by the Corporation into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a “Change of Control”;

2. a "formal bid" (as defined in the *Securities Act* (Ontario)), the completion of which would result in a "Change of Control"; and
3. the determination by the Board that a "Change of Control" has occurred, other than pursuant to subparagraph (1) or (2) above.

For the Stock Option Plan, a "**Change of Control**" means when any person directly becomes the owner of more than 50% of the voting Shares.

Financial Assistance

There is no financial assistance provided by the Corporation to exercise options granted under the Stock Option Plan. No Shares may be issued until full payment has been made and a Participant has none of the rights of a Shareholder in respect of the Shares subject to an option until such Shares have been taken up, paid for in full and issued to him or her.

Cash Payout

In lieu of exercising an option by delivery of the exercise notice along with payment of the exercise price, the Board may elect, with the written consent of the affected Participant, that the option to be exercised by such Participant instead be cancelled and that such Participant receive, in lieu of the Shares issuable upon such exercise, a cash amount equal to the excess of the fair market value per common share that may be purchased under the option being exercised over the corresponding exercise price multiplied by the total number of Shares issuable for such option being exercised at such exercise price, less applicable withholdings.

Blackout Period

If an option expires within a self-imposed trading blackout period adopted by the Corporation preventing executive officers, directors, and employees from trading Shares or exercising options, the expiry date shall be the date that is 10 business days after the expiry of the blackout period.

Amending Stock Option Plan

Amendments Requiring Shareholder Approval – Shareholder approval to amend the Stock Option Plan or an outstanding option shall be required in circumstances where an amendment to the Stock Option Plan or an outstanding option would:

1. Reduce the exercise price of an option held by an Insider;
2. Extend the term of an option held by an Insider beyond the original expiration date (subject to such date being automatically extended as the result of the expiration date falling within a blackout period); or
3. Increase the fixed maximum percentage of Shares that may be issuable pursuant to the Stock Option Plan.

PERFORMANCE SHARE UNIT PLAN

The PSU Plan was originally adopted on May 28, 2020 and amended on December 12, 2022. The Corporation has established a PSU Plan pursuant to which PSUs can be granted to eligible participants to:

1. align the interests of the Corporation and those individuals who share primary responsibility for the management, growth, and protection of the business of the Corporation;
2. recognize the contributions made by certain individuals to the Corporation's growth and development;
3. furnish an incentive to eligible participants to continue providing their services to the Corporation and its affiliates; and
4. provide a means through which the Corporation and its affiliates may attract qualified persons to engage as director, officer or employee or affiliate of the Corporation.

Administration

The PSU Plan is administered by the Board, which includes any committee of the Board authorized to act with respect to such plan. The PSU Plan shall be approved by the Board, and the Board shall, where consistent with the general purpose and intent of the PSU Plan and subject to the specific provisions of the PSU Plan:

1. Grant PSUs;
2. Determine the Eligible Persons to whom PSUs shall be granted and the number of PSUs to be awarded;
3. Determine the time or times at which PSUs shall be granted and shall become capable of settlement;
4. Determine the terms and provisions of the PSUs, including the performance vesting conditions;
5. Interpret and construe the PSU Plan and determine all questions arising out of the PSU Plan and any PSU and make all other determinations necessary or advisable for the administration of the PSU Plan;
6. Establish, adopt, amend, and rescind guidelines, policies, rules, and regulations for carrying out the purposes, provisions, and administration of the PSU Plan;
7. Determine if the Shares that are subject to a PSU will be subject to any restrictions upon the settlement of such PSU; and
8. Prescribe the form of documents relating to the grant, settlement, and other terms of a PSU.

Number of Shares

The maximum number of Shares that may be issuable from time to time under the PSU Plan is equal to 6% of outstanding Shares. Under the PSU Plan, the maximum aggregate number of Shares which may, at any time, be:

1. Reserved for issuance pursuant to PSUs granted to Insiders under the PSU Plan and any other share compensation arrangements shall be 10% of the outstanding Shares;

2. Issued to Insiders under the PSU Plan and under any other share compensation arrangements within a one-year period shall be 10% of the outstanding Shares;
3. Issued to any one Insider (and such Insider's associates) under the PSU Plan and any other share compensation arrangements within a one-year period shall be 5% of the outstanding Shares;
4. Reserved for issuance to any one person pursuant to PSUs granted under the PSU Plan and under any other share compensation arrangements shall be 5% of the outstanding Shares as at the date of grant of the PSUs; and
5. Reserved under the PSU Plan together with any other share compensation arrangements shall be 10% of the outstanding Shares.

Eligibility

PSUs may be granted hereunder to Eligible Persons from time to time by the Board. Eligibility to participate shall not confer upon any Eligible Person any right to be granted PSUs pursuant to the PSU Plan. The extent to which any Eligible Person shall be entitled to be granted PSUs pursuant to the PSU Plan shall be determined in the sole and absolute discretion of the Board. The Board may from time-to-time grant to an Eligible Person PSUs. A participant may hold more than one award of PSUs at any time. Subject to, and except as herein and as otherwise specifically provided for in this PSU Plan, the number of Shares subject to each award of PSUs, the expiration date and the vesting conditions applicable to the PSUs and other terms and conditions relating to each such award of PSUs shall be determined by the Board.

Vesting

PSUs awarded pursuant to the PSU Plan shall vest pursuant to the agreement between the Corporation and a Participant setting out the terms of the PSU granted to the Participant ("**PSU Agreement**").

Term of PSUs

With the exception of the resolution passed by the Board with respect to a PSU, the period during which a PSU may vest and become capable of settlement, in whole or in part, shall be such period as the Board may specify but shall not exceed five years from the date of grant. PSUs which do not vest and become capable of settlement prior to the date of expiry shall be forfeited for no consideration.

Withholding Tax

The Corporation shall, at its sole discretion issue to the participant the number of Shares that, based on the market price on the vesting date, have an aggregate value equal to after-tax value of the vested PSUs while the Corporation retains, in Shares, the difference in aggregate value between the before-tax value of the vested PSUs and after-tax value of the vested PSUs, (the "**Retained Shares**"). The Corporation shall then pay the respective withholding taxes in cash to the relevant American or Canadian tax agencies, as applicable, and the Corporation shall sell the Retained Shares as it sees fit, and in its sole discretion.

Termination of PSU Due to Change in Employment

Except as expressly permitted by the Board, if a participant's employment or position as a director or officer of the Corporation is terminated for any reason, any PSU held by such participant shall thereupon terminate and become null, void and of no effect as of the last day of active employment of the participant with the Corporation or an affiliate (the "**Cessation Date**"). This applies whether the participant received compensation in respect of dismissal or was entitled to a period of notice of termination, which would otherwise have permitted a greater portion of the PSUs to vest with the participant. Except as expressly permitted by the Board, all PSUs will cease to vest as at the Cessation Date. Participants will not be entitled to any compensation in respect of any part of the PSU which was not vested or which may not become capable of settlement.

Dividends

PSUs granted shall not be eligible for dividends.

Transferability

PSUs are not transferable or assignable by the participant other than by will or the laws of descent and distribution, and are exercisable during the lifetime of a participant only by the participant and after death only by the participant's personal representative, heirs, or administrators.

Effect of Mergers, Amalgamations, Arrangements and Similar Transactions

Change of Control Events and the effect on PSUs granted to participant shall be solely determined pursuant to the terms of the participant's respective PSU Agreement. For the purposes of the PSU Plan, "**Change of Control**" means when any person or corporate entity directly becomes the owner of more than 50% of the voting Shares and "**Change of Control Event**" means the entry by the Corporation into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a Change of Control.

Financial Assistance

The Corporation shall pay all costs associated with the administration of the PSU Plan, but shall not be responsible for any costs incurred by a participant, including but not limited to brokerage fees and commissions.

Settlement and Payout

As soon as is practicable following a vesting date pertaining to a PSU, the Corporation shall issue to the participant a number of Shares equal to the number of vested PSUs. The Corporation may, at its discretion, facilitate (at the expense of the participant) through an independent broker the sale of all or a portion of the Shares issued to the participant in satisfaction of PSUs in order to satisfy any tax withholding requirements.

Blackout Period

If a PSU expires within a self-imposed trading blackout period adopted by the Corporation preventing executive officers, directors, and employees from trading Shares or exercising PSUs, the expiry date shall be the date that is 10 business days after the expiry of the blackout period.

Amending PSU Plan

Amendments Requiring Shareholder Approval - in accordance with the rules and policies of the TSX, Shareholder approval will be required in circumstances where a proposed amendment or modification to the PSU Plan or an outstanding PSU would:

1. Extend the term of a PSU held by an Insider beyond the original expiration date (subject to such date being automatically extended as the result of the expiration date falling within a blackout period); or
2. Increase the fixed maximum number of Shares which may be issued pursuant to the PSU Plan.

Amendments Not Requiring Shareholder Approval – the Board may amend or modify the PSU Plan or any outstanding PSU without Shareholder approval to make any of the following changes:

1. Amending the time or times that the Shares subject to each PSU will become issuable to a participant, including accelerating the vesting terms, if any, applicable to a PSU or to amend the vesting provisions of the plan;
2. Extending the term of a PSU, other than a PSU held by an Insider;
3. Amending the terms of the PSU Plan relating to the effect of termination, cessation, or death of a participant on the right to settle PSUs (including PSUs held by an Insider);
4. Making any amendments of a typographical, grammatical, or clerical nature; and
5. Making any amendments necessary to bring the PSU Plan into compliance with applicable securities and corporate laws and the rules and policies of the Toronto Stock Exchange.

APPENDIX A - STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Corporate governance is the process and structure used to direct and manage the business and affairs of an issuer with the objective of enhancing value for its shareowners. *National Instrument 58-101 – Disclosure of Corporate Governance Practices* (“**NI 58-101**”) of the Canadian Securities Administrators requires Vecima to disclose in this Information Circular its system of corporate governance.

COMPOSITION OF THE BOARD OF DIRECTORS

INDEPENDENCE

The Board of Directors of Vecima (the “**Board**”) consists of seven directors, five of whom are independent directors as defined in NI 58-101, meaning that, in each case, he has no direct or indirect relationship with Vecima which could, in the view of the Board of Directors, reasonably be expected to interfere with the exercise of his independent judgment, and is not otherwise deemed not to be independent. Applying the criteria in NI 58-101, each of Danial Faizullahbhoj, Scott Edmonds, James A. Blackley, Rick Brace and Sam Chernak is an independent director. Sumit Kumar is not considered to be independent on the basis that he is an executive officer of Vecima. The Chair of the Board of Directors, Dr. Surinder Kumar is not an independent director given his large Vecima shareholdings.

Lead Independent Director

The current Lead Independent Director is Scott Edmonds. The Lead Independent Director performs the following functions:

Enhancing Board Effectiveness	Liaison between Directors
<ol style="list-style-type: none">1. Work with the Chair and Corporate Secretary to ensure the Board has adequate resources.2. Review the procedures in place to allow the Board to work effectively and to function independently from management.3. Provide input to the Chair and Corporate Secretary on the preparation of agendas for Board and Committee meetings.4. Ensure there is a process to implement best practices which relate to the responsibilities of the Board.5. Chair Board meetings when the Chair is unavailable.6. Maintain a close and collaborative relationship with the Chair.7. Assist in orienting and integrating new directors to the Board.	<ol style="list-style-type: none">1. In association with regularly scheduled Board meetings, chair meetings of independent directors to discuss issues relating to Vecima's business without the presence of management or non-independent directors.2. Communicate with the Chair and the entire Board, as appropriate, the results of private discussions among independent directors or the results of meetings of the independent directors.3. Act as a communication channel among the directors and between directors and the Chair in respect of issues not readily or easily discussed in a formal setting.4. Ensure that the Board understands and maintains the boundaries between Board and management responsibilities

The independent members of the Board believe that the appointment of a Lead Independent Director, together with their majority on the Board, their sophistication, and their knowledge of Vecima's business, are sufficient to facilitate the functioning of the Board independently of management and in a manner that fairly represents the interests of minority shareholders, and to provide for open and candid discussion among the independent directors.

When warranted, the independent directors hold meetings without the non-independent directors and other members of management in attendance and can hold such meetings whenever they wish. The Lead Independent Director chairs

these sessions and informs management of the matters discussed to the extent that action on them is required. In addition, at each board meeting, the independent directors have the option to meet in-camera if desired, providing the opportunity for open and candid discussion among the independent directors without non-independent directors and members of management present.

ATTENDANCE

Additional information on each of the directors is found in this Information Circular under the heading “Business of the Meeting – Information About Vecima’s Director Nominees”, including a record of each director’s attendance record at Board and committee meetings held during the fiscal year ended June 30, 2024.

OTHER DIRECTORSHIPS

None of the directors of Vecima are directors of other issuers that are reporting issuers (or equivalent) in Canada or elsewhere.

BOARD OF DIRECTORS MANDATE

The Board has adopted a written mandate in which it explicitly acknowledges responsibility for its stewardship of Vecima. The text of the Board’s written mandate is attached to this Information Circular as Appendix B.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has two standing committees: the Audit Committee and the Corporate Governance and Compensation Committee (“CGCC”).

AUDIT COMMITTEE

The Audit Committee currently consists of three directors: Scott Edmonds (Chair), Danial Faizullabhoy and Rick Brace, all of whom are independent within the meaning of *National Instrument 52-110 – Audit Committees*. Pursuant to the written mandate adopted by the Board (available on Vecima’s website at www.vecima.com), the Audit Committee assists the Board in fulfilling its responsibilities for oversight and supervision of financial and accounting matters. The committee supervises the adequacy of Vecima’s internal accounting controls and financial reporting practices and procedures and the quality and integrity of its audited and unaudited financial statements, including through discussions with Vecima’s external auditors. The committee reviews Vecima’s business plan and operating and capital budgets and is responsible for ensuring efficient and effective assessment of management of financial risk throughout Vecima.

Mr. Faizullabhoy and Mr. Brace are not standing for re-election and the Board will fill the resulting vacancies on the Audit Committee in due course following the Meeting.

Further information relating to the Audit Committee is provided under the heading “Audit Committee Information” in Vecima’s Annual Information Form dated September 19, 2024.

CORPORATE GOVERNANCE AND COMPENSATION COMMITTEE (“CGCC”)

The CGCC currently consists of three directors: Danial Faizullabhoy (Chair), Scott Edmonds and Rick Brace. All members are “independent” within the meaning of *National Instrument 52-110 – Audit Committees*. The Board believes that the appointment of an independent director as chair of the committee and the composition of the committee, all the members of which are independent directors, promotes an objective process to oversee compensation and governance matters. Mr. Faizullabhoy and Mr. Brace are not standing for re-election and the Board will fill the resulting vacancies on the CGCC in due course following the Meeting.

Pursuant to the written mandate adopted by the Board (available on Vecima’s website at www.vecima.com), the CGCC is responsible for developing Vecima’s approach to corporate governance issues and advising the Board on filling vacancies on the Board. In addition, it periodically reviews the size, composition and compensation of the Board, the effectiveness of the Board and its members, and appropriate committee structures, mandates, composition, membership, and effectiveness. The committee is responsible for succession planning in respect of the CEO. It also reviews the CEO’s goals and objectives at the start of each year and provides an appraisal of the CEO’s performance for the most recently completed year.

The CGCC also fulfills the compensation review function to ensure that Vecima has a compensation plan that is competitive, motivating and rewarding for participants. Further information relating to the compensation oversight function of the CGCC, including the process by which the Board is involved in determining compensation for Vecima's directors and officers, is provided in the Information Circular under the heading "Compensation Discussion and Analysis".

POSITION DESCRIPTIONS FOR THE CHAIR AND CEO

The Board has adopted a written position description for the Chair of the Board but has not adopted written descriptions for the Chair of the Audit Committee or of the CGCC. The roles and responsibilities of the Chair of the Audit Committee and the CGCC are to implement the mandate of each committee. The Board has adopted a written position description for the CEO.

DIRECTOR ORIENTATION AND CONTINUING EDUCATION

The CGCC is responsible for assisting management with the orientation program for new members of the Board and the education program for all members of the Board.

Vecima has a variety of orientation and education programs in place for current and new directors to ensure directors understand their role and the role of the Board and its committees, as well as the nature and operations of Vecima's business. All new directors receive a Board reference manual containing a record of historical public information about Vecima, as well as the mandates of the Board and its committees, and other relevant corporate and business information. New directors also meet with the lead independent director, the CEO, and the CFO. Senior management makes regular presentations to the Board on the main areas of Vecima's business.

The Board encourages directors to participate at Vecima's expense in continuing education opportunities to ensure that the directors may maintain or enhance the skills necessary to meet their obligations as directors and maintain a current and thorough understanding of Vecima's business.

Vecima typically holds an annual retreat at which members of the Board meet with senior management to discuss items such as Vecima's business, technology, products, services, competitive environment, and strategy as well as the roles and responsibilities of the Board and senior management regarding oversight of items such as strategic direction, risk management, and financial reporting.

ETHICAL BUSINESS CONDUCT

The Board has adopted a written code of business conduct and ethics ("**Code of Conduct**"). A copy of the Code of Business Conduct and Ethics is available on Vecima's website at www.vecima.com or SEDAR+ at www.sedarplus.ca.

Vecima regards maintaining a culture of ethical business conduct as critically important. The Board is responsible for monitoring the Code of Conduct and requires management to assume responsibility for the conduct of those who report to them. This means ensuring that the Code of Conduct is clearly communicated, leading by example, establishing, and maintaining controls designed to prevent or detect breaches, appropriately investigating situations which may indicate a breach and dealing appropriately with known breaches. All known or suspected breaches of the Code of Conduct are required to be reported to the Corporate Secretary of Vecima.

The Code of Conduct requires all directors, officers, and employees of Vecima and its subsidiaries to not have any private interests that interfere or conflict in any way with the interests of Vecima, or impair, or could be perceived to impair, such person's business judgment. Each director is required to inform the CGCC of any conflict of interest he or she may have with Vecima. If a director has a personal interest in a matter before the Board or a committee, he or she must not participate in any vote on the matter except where the Board of Directors or committee has expressly determined that it is appropriate for him or her to do so.

INSIDER TRADING

Vecima has adopted an Insider Trading Policy to educate and guide employees on their legal obligations surrounding the use of material, non-public information and on trading in its Shares. A copy of the policy is available on Vecima's website at www.vecima.com.

CORPORATE DISCLOSURE

Vecima has implemented a Confidentiality and Disclosure of Information Policy to educate and guide employees on their legal obligations surrounding the disclosure of confidential corporate information. A copy of the policy is available on Vecima's website at www.vecima.com.

NOMINATION OF DIRECTORS

The CGCC is responsible for proposing new nominees to the Board.

In making recommendations to the Board, for the nomination of individuals as directors, the CGCC considers the competencies and skills that the Board considers necessary for the Board to possess. The Committee also considers the competencies and skills that the Board considers each existing director to possess, the competencies and skills each new nominee would bring to the Board, and whether each new nominee can devote sufficient time and resources to his or her duties as a member of the Board. The committee may also make recommendations to the Board with respect to possible director candidates that have the independence and expertise required for effective governance according to applicable regulatory requirements.

BOARD OF DIRECTORS ASSESSMENT

The CGCC makes recommendations to the Board with respect to the establishment and implementation of procedures to review the contribution of individual directors and the effectiveness of the Board and its committees on a regular basis, including the completion of directors' questionnaires and the dissemination of results to the Board. At the end of each fiscal year the Board holds a strategy session with the Corporation's management to set strategic goals for the following fiscal year. CGCC uses those strategic goals to hold periodic discussions on whether the Board and its committees are performing in line with the Corporation's strategic needs.

DIRECTOR TERM LIMITS AND OTHER MECHANISMS OF BOARD RENEWAL

Vecima has not adopted term limits for directors as the Board believe the imposition of arbitrary term limits may result in an effective director being disqualified and discounts the value of experience and continuity. The CGCC is responsible for assessing the effectiveness of the Board and board renewal is one of the factors the committee utilizes in its evaluation. On an ongoing basis, a balance must be struck between ensuring that there are fresh ideas and viewpoints while not losing the insight, experience and other benefits of continuity contributed by longer serving directors.

DIVERSITY

The CGCC considers the diversity of the Board, but does not specifically consider the level of representation of women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities, or members of visible minorities when identifying and nominating candidates for election or re-election to the Board. The other factors that the committee considers are the competencies and skills that the Board considers to be necessary for the Board to possess; the competencies and skills that the Board considers each existing director to possess; the competencies and skills each new nominee shall bring to the Board; and whether each new nominee can devote sufficient time and resources to his or her duties as a member of the Board. Accordingly, the Board does not believe that considering the level of representation leads to a better evaluation of the particular candidate.

Vecima has not adopted a written policy relating to the identification or nomination of women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities, or members of visible minorities as directors. The CGCC is required to annually evaluate the effectiveness of the Board and maintain a succession plan. One of the factors that it considers is diversity. Other factors that the committee takes into consideration are the current strengths, skills and experience on the Board, any planned retirement dates, and the strategic direction of Vecima. Accordingly, the Board does not believe a written policy relating solely to the identification or nomination of directors based upon gender, race, or disability is necessary.

Vecima has not adopted a target regarding women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities, or members of visible minorities on the Board. Diversity is one of the factors that the CGCC considers in identifying and nominating candidates for election or re-election to the Board. The other factors that the committee considers are described above. The CGCC believes all these factors are relevant to ensure high functioning members

of the Board and that establishing targets based upon only gender, race, or disability may disqualify desirable director candidates.

Vecima considers diversity in its senior management positions but does not specifically consider the level of representation of women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities, or members of visible minorities when making senior management appointments. Vecima also considers the skills and experience necessary for the position. Accordingly, the Board does not believe that considering the level of representation leads to a better evaluation of the particular candidate for senior management.

Vecima has not adopted a target regarding women, Indigenous peoples (First Nations, Inuit and Métis), persons with disabilities, or members of visible minorities in senior management positions of Vecima. Diversity is one of the factors that Vecima considers in identifying senior management appointments. The other factors that Vecima considers are described above. Vecima believes all these factors are relevant to ensure appropriate senior managements and that establishing targets based upon only gender, race or disability may disqualify desirable senior management candidates.

3.1.2 Diligently prepare for each meeting, ensuring that all distributed information is read and thoroughly understood.

3.1.3 Actively and constructively participate in each meeting, ensuring all relevant issues are given consideration.

3.1.5 Engage in continued director education as relevant to the Corporation.

3.1.6 Attendance at Board meetings and any committee meetings of which a director is a member in person or via teleconference.

4. Board Composition

4.1 Board Membership Criteria

The Corporate Governance and Compensation Committee (hereafter referred to as the "Corporate Governance Committee") is responsible for establishing the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess, the competencies and skills that the Board considers each existing director to possess, and the competencies and skills each new nominee will bring to the Board. The Corporate Governance Committee identifies candidates for Board membership based on their character, integrity, judgment and record of achievement and any skills and talents they possess which would add to the Board's decision-making process and enhance the overall management of the business and affairs of the Corporation.

Directors must have sufficient time to carry out their duties and not assume responsibilities that would materially interfere with or be incompatible with Board membership. Directors who change their principal occupation are expected to advise the Corporate Governance Committee and, if determined appropriate by the Corporate Governance Committee, resign from the Board.

4.2 Director Independence

The Board believes that, except during periods of temporary vacancies, not less than half of its members should be Independent Directors.

In all cases, the determination of whether a director is independent must be made by the Board in accordance with applicable securities laws and stock exchange rules. Generally, an Independent Director means a director who has no direct or indirect material relationship with the Corporation. For these purposes, "material relationship" means a relationship which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment.

In making a determination regarding a director's independence, the Board will consider all relevant facts and circumstances, including the director's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships and such other criteria as the Board may determine from time to time.

The Board will review the independence of all directors on an annual basis and will disclose its determinations annually. To facilitate this review, directors will be asked to provide the Board with full information regarding their business and other relationships with the Corporation and its affiliates and with senior management and their affiliates. Directors have an ongoing obligation to inform the Board of any material changes in their circumstances or relationships, which may affect the Board's determination as to their independence.

4.3 Board Size

The Corporate Governance Committee is responsible for evaluating the effectiveness of the Board size on a regular basis and reporting its analysis and recommendations to the Board.

4.4 Term

All directors are elected at the annual meeting of shareholders of the Corporation and will hold office until the next annual meeting of shareholders.

4.5 Board Succession

The Corporate Governance Committee is responsible for maintaining a Board succession plan that is responsive to the Corporation's needs and the interests of its shareholders.

4.6 Service on Other Boards and Audit Committees

The Board does not believe that its members should be prohibited from serving on the boards of other public companies so long as these commitments do not materially interfere with and are not incompatible with their ability to fulfill their duties as a member of the Board. Directors must advise the Chair in advance of accepting an invitation to serve on the board of another public company.

5. Delegation to Management

The Board has delegated financial authority to the Chief Executive Officer (who may sub-delegate such authority to others within the Corporation as appropriate) for approval of expenditures, all of which must be made within the framework of the strategic plan of the Corporation approved by the Board.
