HOW TO VOTE

Only a Shareholder whose name appears on the certificate(s) representing its Shares (a “Registered Shareholder”) or its duly appointed proxy nominee is permitted to vote at the Meeting. A Shareholder is a non-registered shareholder (a “**Non-Registered Shareholder**”) if its Shares are registered in the name of an intermediary, such as an investment dealer, brokerage firm, bank, trust corporation, trustee, custodian, administrators of self-administered RRSPs, RRIFs, RESPs and similar plans or other nominee, or a clearing agency in which the intermediary participates (each, an “Intermediary”). Accordingly, most Shareholders are “Non-Registered Shareholders” because the Shares they own are not registered in their names but are

instead registered in the name of the Intermediary through which they purchased the Shares. More particularly, a person is a Non-Registered Shareholder in respect of Shares which are held on behalf of that person, but which are registered either: (a) in the name of an Intermediary that the Non-Registered Shareholder deals with in respect of the Shares; or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“CDS”)) of which the Intermediary is a participant. In Canada, the vast majority of such Shares are registered under the name of CDS, which acts as nominee for many Canadian brokerage firms. Shares so held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Non-Registered Shareholder. Without specific instructions, Intermediaries are prohibited from voting Shares held for Non-Registered Shareholders.

Registered Shareholders can vote their Shares in the following ways:

1. By Mail: Please complete, sign and return the enclosed form of proxy by mail to:
Computershare Investor Services Inc.
100 University Ave, 8th Floor
Toronto, Ontario
M5J 2Y1
2. By Telephone: Shareholders based in Canada or the United States vote by telephone by calling 1-866-732-8683. You will need to enter your 15-digit control number (located on the bottom left corner of the first page of the form of proxy) to identify yourself as a Shareholder on the telephone voting system.
3. Internet Voting: You may vote over the internet by going to www.investorvote.com. You will need to enter your 15-digit control number (located on the bottom left corner of the first page of the form of proxy) to identify yourself as a Shareholder on the voting website.
4. **Online during the Meeting: Shareholders dial-in the participant number below, and when connected, an operator will collect their name (to ensure that you are indeed as Shareholder) and place the Shareholder directly into the call. For telephone voting during the Meeting, no special code is needed, the telephone operator will read instructions to the online Shareholder and the Shareholders will press *1 on their telephone keypad to “raise their hand” to effect the vote.**

The Corporation encourages Shareholders to vote in advance of the Meeting using either the form of proxy or the voter instruction form mailed to them with the Meeting materials, and submitting them by no later than 10:00am (PST) on Thursday, December 3, 2020. Non-Registered Shareholders will receive voting instructions from the Intermediary (usually a bank, trust corporation, broker, securities dealer or other financial institution) through which they hold their Shares. Please follow the instructions provided on your voting instruction form to vote your Shares.

The individuals named in the as incorporated in Form of Proxy are directors and/or officers of the Corporation. **A Shareholder wishing to appoint some other person (who need not be a Shareholder) to represent him or her at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the Form of Proxy and striking out the two printed names or by completing another Form of Proxy.** In either case, to be valid, a proxy must be dated and signed by the Shareholder or by the Shareholder’s attorney authorized in writing. In the case of a corporation, the proxy must be signed by a duly authorized officer of, or attorney for, the Corporation.

A proxy shall not be valid unless the completed, dated and signed Form of Proxy is received by Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, by 10:00 a.m. (PST) on Thursday, December 3, 2020, or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof, or is delivered to the Chair of the Meeting before the time of voting. If a Shareholder who has submitted a proxy attends the Meeting via the webcast and has accepted the terms and conditions when entering the Meeting online, any votes cast by such Shareholder on a ballot will be counted and the submitted proxy will be disregarded.

Shareholders who wish to appoint a third-party proxyholder to represent them at the online Meeting must submit their proxy or voting instruction form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a Shareholder has submitted their proxy/voting instruction form. Failure to register a duly appointed proxyholder will result in the proxyholder not receiving a Username to participate in the online Meeting. To register a proxyholder, Shareholders MUST confirm on or before 10:00 a.m. (PST) on Thursday, December 3, 2020, and provide Computershare with their proxyholder’s contact information, so that Computershare may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to participate online at the Meeting.

A Shareholder who has given a proxy may revoke it by:

1. an instrument in writing executed by the Shareholder or by his or her attorney authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to: (i) to Computershare Investor Services Inc., 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9; or (ii) to the offices of the Corporation, 771 Vanalman Avenue, Victoria, British Columbia, V8Z 3B8, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof,
2. by sending another proxy form with a later date to Computershare before 10:00 a.m. (PST) on Thursday, December 3, 2020 or at least 48 hours (excluding Saturdays, Sundays and holidays) before any adjourned or postponed Meeting;
3. by attending the online Meeting and accepting the online terms and conditions; or
4. in any other manner provided by law.

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

INFORMATION FOR NON-REGISTERED (BENEFICIAL) OWNERS OF SHARES

These Meeting materials are being sent to both registered and non-registered shareholders of the Corporation (the “**Shareholders**”). If you are a non-registered shareholder and the Corporation, or its agent, has sent these materials directly to you, your name, address, and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary/broker holding on your behalf.

Shareholders whose Shares are not registered in their own name are referred to in this Information Circular as “**Beneficial Shareholders**”. There are two kinds of Beneficial Shareholders: those who have objected to their name being made known to the Corporation (called “**OBOs**” for Objecting Beneficial Owners) and those who have not objected (called “**NOBOs**” for Non-Objecting Beneficial Owners).

The Corporation can request and obtain a list of their NOBOs from intermediaries via its transfer agent and can use this NOBO list for distribution of proxy-related materials directly to NOBOs. The Corporation has decided to directly send proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a voting instruction form from the Corporation’s transfer agent, Computershare Investor Services Inc. These voting instruction forms are to be completed and returned to the transfer agent in the postage paid envelope provided or by facsimile. Alternatively, NOBOs can call a toll-free number or access the transfer agent’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and vote the Shares held by them. The transfer agent shall tabulate the results of the voting instruction forms received from NOBOs and shall provide appropriate instructions at the Meeting with respect to the Shares represented by voting instruction forms they receive. By choosing to send these materials to you directly, the Corporation (and not the intermediary/broker holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your instructions as specified in the request for voting instructions. NOBOs that wish to attend the Meeting and vote in person (or appoint someone else to attend the Meeting and vote on such NOBOs’ behalf) can appoint themselves (or someone else) as a proxyholder by following the applicable instructions on the voting instruction form.

The Corporation intends to pay intermediaries/brokers to deliver to OBOs Meeting materials for the Meeting. Applicable regulatory policy requires intermediaries/brokers to whom Meeting materials have been sent to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs in order to ensure that their Shares are voted at the Meeting. Often, the Form of Proxy supplied to an OBO by its broker is identical to that provided to registered Shareholders. However, its purpose is limited to instructing the registered Shareholder how to vote on behalf of the OBO. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically prepares a special voting instruction form, mails those forms to the OBOs and asks for appropriate instructions respecting the voting of Shares to be represented at the Meeting. OBOs are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, OBOs can call a toll-free telephone number or access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and vote the Shares held by them. Broadridge then tabulates the results of all voting instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. The voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Shares voted. OBOs who receive a form of proxy or voting materials from organizations other than Broadridge should complete and return such form of proxy or voting materials in accordance with the instructions on such materials in order to properly vote their Shares at the Meeting. OBOs that wish to attend the Meeting and vote in person (or appoint someone else to attend the Meeting and vote on such OBOs’ behalf) can appoint themselves (or someone else) as proxyholder by following the applicable voting instructions.

Beneficial Shareholders are not entitled, as such, to vote at the Meeting in person or to deliver a Form of Proxy. If you are a Beneficial Shareholder and wish to appoint yourself as proxyholder to vote in person at the Meeting or appoint someone else to attend the Meeting and vote on your behalf, please see the voting instructions you received or contact your intermediary/broker well in advance of the Meeting to determine how you can do so. Beneficial Shareholders should carefully follow the voting instructions they receive, including those on how and when voting instructions are to be provided, in order to have their Shares voted at the Meeting.

NOTICE AND ACCESS

The Corporation is not sending proxy-related materials to Registered Shareholders or Beneficial Shareholders using the “notice-and-access” provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* or National Instrument 51-102 – *Continuous Disclosure Obligations*.

EXERCISE OF DISCRETION

The management representatives designated in the enclosed Form of Proxy shall vote or withhold from voting the Shares in respect of which they are appointed proxy on any ballot that may be called for in accordance with the instructions of the Shareholder as indicated on the Form of Proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares shall be voted accordingly. Where no choice is specified in the Form of Proxy, such Shares shall be voted “for” the matters described therein and in this Information Circular. The enclosed Form of Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management representatives designated in the enclosed Form of Proxy to vote in accordance with their best judgement on such matters or business. At the date of this Information Circular, the management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting.

 - a. was subject to a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, which order was in effect for a period of more than 30 consecutive days (an "Order") that was issued while the proposed director was acting in the capacity as director, CEO or CFO; or

Majority Voting Policy

The Board have adopted a policy (the “**Majority Voting Policy**”) providing for majority voting in director elections at any meeting where an “uncontested election” of directors is held. An “uncontested election” is an election where the number of nominees for election as directors is equal to the number of directors to be elected. Pursuant to the Majority Voting Policy, the forms of proxy circulated in connection with a meeting of Shareholders at which an election of directors is conducted shall provide Shareholders with the ability to vote in favour of, or to withhold from voting for, each director nominee. If the number of proxy votes withheld for a particular director nominee is greater than the votes in favour of that nominee, the director nominee is required to submit his or her resignation to the Chair of the Board. Following receipt of a resignation, the CGCC shall consider whether to accept the offer of resignation and recommend to the Board whether or not to accept it. Within 90 days following the applicable meeting of Shareholders, the Board is required to decide whether to accept the offer of resignation and to publicly disclose its decision, or not. If a resignation is accepted, the Board may, in accordance with Vecima’s bylaws and the Canada Business Corporations Act, appoint a new director to fill the vacancy created by the resignation, reduce the size of the Board, leave the vacancy open, call a special meeting to fill the vacancy, or any combination of the foregoing. In the event that any director who received a greater number of proxy votes withheld than votes in favour of such director’s election does not tender his or her resignation in accordance with the Majority Voting Policy, he or she shall not be nominated by the Board.

INFORMATION ON EXECUTIVE COMPENSATION

He holds a Bachelor of Science in Business Administration degree from The University of Maryland University College and a Master of Business Administration degree from The Pennsylvania State University.

The responsibilities, powers and operation of the CGCC are set forth in the committee's mandate, which is available on Vecima's website at www.vecima.com. The CGCC's mandate provides that it is responsible for:

1. reviewing management's recommendations on Vecima's compensation policies such as salary ranges, retirement plans, annual incentive bonuses and long-term incentive plans, including equity-based compensation programs and recommend to the Board of Directors;
2. reviewing and approving corporate goals and performance objectives relevant to the CEO of Vecima and evaluating performance of the CEO relative to these corporate goals and objectives;

3. recommending to the Board the base salary, cash incentive bonus, equity-based incentive awards and other compensation for the CEO of Vecima based on the evaluation of the corporate goals and objectives relating to the CEO;
4. setting the compensation of the CEO including plans and programs relating to cash compensation, incentive compensation, equity-based awards and other benefits and perquisites and for reviewing the overall compensation plans and philosophy for the named executive officers;
5. recommending to the Board, on an annual basis, the annual retainer, incentive based compensation plans, equity-based plans and other compensation for the directors of Vecima;
6. administering any incentive based compensation plan or equity based plans; and
7. reviewing executive compensation disclosure before Vecima publicly discloses such information.

Named Executive Officers (“NEOs”)

The five NEOs who are the focus of the Compensation Discussion and Analysis for Fiscal 2020 are:

1. Sumit Kumar, President and CEO
2. Dale Booth, Chief Financial Officer
3. Clay McCreery, Chief Operations Officer
4. Dan Gledhill, Senior Vice President, Global Sales
5. Ryan Nicometo, Senior Vice-President and General Manager, Video & Broadband Solutions

NOTES:

- ⁽¹⁾ Dale Booth was appointed to Chief Financial Officer on October 28, 2019. John Hanna, the previous CFO resigned from Vecima on October 25, 2019.

Compensation Program Objectives

Vecima’s compensation program for NEOs is designed to award the following:

1. loyalty to Vecima;
2. strong business performance;
3. aligning Vecima’s interests with those of Vecima’s Shareholders; and
4. strong communication and administrative skills.

Elements of Compensation Program

The compensation of Vecima’s NEOs consists of the following elements:

1. base salary;
2. annual cash incentives;
3. equity-based long-term incentives;
4. contributions to a group registered retirement savings plan (“RRSP”);
5. benefits and perquisites; and
6. termination and change of control arrangements.

Base Salary

The CGCC believes that competitive base salaries are important in attracting and retaining quality executives and simple to communicate and administer. Base salaries are intended to remunerate NEOs for fulfilling the basic requirements of their position. Base salaries are based upon individual responsibility, expertise, market competitiveness, experience and contractual commitments. The salary for the CEO is reviewed and recommended annually by the CGCC and approved annually by the Board. The salaries of the remaining NEOs are determined annually by the CEO, in consultation with the CGCC. For Fiscal 2020, the base salaries of the NEOs were adjusted between 0.0 and 4.0%. *Annual Cash Incentives*

Vecima provides the NEOs with annual cash incentives. The CGCC believes that annual incentives are important in attracting and retaining talented executives and motivating executive officers to deliver strong business performance. Annual cash incentives are intended to link a portion of the NEOs’ compensation to Vecima’s performance.

The annual cash incentive targets and eligible bonuses for the CEO are recommended by the CGCC and approved by

the Board annually. The CEO determines the annual cash incentive targets and eligible bonuses for the other NEOs annually, in consultation with the CGCC.

The performance measures for the CEO that were used to determine the annual cash incentive for Fiscal 2020 and the rationale for utilizing those performance measures are:

Performance Measures	Rationale
1. Revenue	Maintain and grow revenue
2. Adjusted EBITDA after deferred development costs	Key indicator of ability to generate cash flow
3. Strategic	Focused on future company direction and growth
4. Operational	Tactical goals to grow profitability
5. Leadership	Focused on future company direction and growth
6. Mergers and Acquisitions	Growth

Actual fiscal 2020 performance against the established performance measures is summarized in the table below:

CEO - Annual Cash Incentive				
		Performance Target ⁽¹⁾	Amount as % of Base Salary	% Bonus Calculated
1.	Revenue	\$98.7 - \$132.7	0% - 16.8%	7.12%
2.	Adjusted EBITDA after deferred development costs	(\$0.6M) - \$1.1M	0% - 16.8%	12.77%
3.	Strategic, Operational, and Leadership	Subject to specific KPIs	0% - 8.4%	8.4%
4.	Discretionary			4.77%
5.	Mergers and Acquisitions	As determined by the Board	10.0%	10.0%
			TOTAL	43.1%

Fiscal 2020 cash incentives that could have been earned by the CEO ranged from zero to 44.8% of base salary based on the four performance measures above. The CEO was awarded a cash bonus based on achievement of performance measures equal to 43.1% of base salary that is \$121,949.

Annual cash incentives for the CFO were based on Revenue, Adjusted EBITDA and the KPIs associated with departmental performance. The other NEO's annual cash incentives were based on Revenue and Gross Margin targets. Vecima made cash incentive payments totaling \$799,150 to the other NEOs for Fiscal 2020.

The CGCC and the CEO, as applicable, can, subject to approval of the Board, exercise discretion to amend annual cash incentives absent attainment of performance goals, or to reduce or increase the size of any amount or payout. The CGCC and the CEO as applicable, can, subject to approval of the Board, also exercise discretion to grant additional annual cash incentives to the NEOs based on such factors that the committee and the CEO, respectively, determines relevant. Cash incentives for the CEO and CFO are paid subsequent to the end of the fiscal year, for the other NEOs the payments are made quarterly with the final payment, if any, paid subsequent to the end of the fiscal year.

Equity-based Long-term Incentives

The Corporation provides NEOs equity-based long-term incentive compensation through its Stock Option Plan and PSU Plan. The CGCC believes that equity-based long-term incentives are important in attracting and retaining quality executives, motivating executive officers to deliver strong business performance, and aligning the interests of executives with those of the Shareholders. Previous grants may be taken into consideration when considering new grants. Details of the Stock Option Plan are described in this Information Circular under the heading “Securities Authorized for Issuance under Equity Compensation Plans.”

Registered Retirement Savings Plan

Vecima provides the NEOs, on the same basis as other employees of Vecima, with contributions to a group RRSP or 401K as applicable. The CGCC believes that the group RRSP and 401k plans are important in attracting and retaining quality executives and is simple to communicate and administer.

Vecima contributes an amount equal to 3% of the NEO's base salary to the group RRSP. The NEOs can also contribute an additional 0.5% that the Corporation matches to the group RRSP. The NEO can also make additional voluntary contributions to the group RRSP, for total combined contributions up to the legislated government maximums. The group RRSP account is self-directed, with each participating NEO able to choose from among the investment options offered by the administrator of the group RRSP. NEOs are eligible to participate in the group RRSP from the date of hire. Employer contributions to the group RRSP are subject to 100% vesting after the first year of employment and immediate vesting thereafter.

For NEOs residing in the US, Vecima contributes a matching contribution equal to 50% of the first 5% of the NEOs total compensation to a 401K plan, subject to the annual total compensation limits set by the IRS. The NEO can also make additional voluntary contributions to the 401K, for total combined contributions up to the legislated government maximums. NEOs are eligible to participate in the 401K from the date of their one-year anniversary. Employer contributions vest on a percentage basis for the first 4 years of employment, thereafter vesting at 100% each year.

Benefits and Perquisites

The CGCC does not believe that benefits and perquisites should represent a significant portion of the compensation package for NEOs. Accordingly, no material benefits or perquisites are currently provided to the NEOs that are not available to other employees of Vecima. Benefits and perquisites presently extended to NEOs include health, long-term disability, dental and group life insurance.

Termination and Change of Control Arrangements

The CGCC believes that termination and change of control benefits may be necessary in order to attract and retain quality executives. Termination benefits are appropriate, particularly with respect to a termination without cause since in that scenario, both Vecima and the NEOs have mutually agreed upon termination packages that are in place prior to any termination event that provides the flexibility to make changes in executive management if such change is in Vecima's best interests. Termination and change of control benefits were negotiated and set with regard to comparable benefits granted to executives with similar positions in other similar companies, the experience level of the individual, the complexity of the position and other relevant market factors. For more information on severance and change in control arrangements for the NEOs, see “Employment Agreements and Termination and Change of Control Benefits” below.

Compensation Consultant

Vecima has not retained a compensation consultant or advisor to assist in determining compensation for any directors or executive officers at any time since Vecima's most recently completed fiscal year, nor has it paid any fees to such a compensation consultant or advisor during the two most recently completed fiscal years of Vecima.

Benchmarking

No formal benchmarking was used in determining any element of the compensation of the NEOs. Vecima periodically undertakes informal benchmarking against other North American small cap technology companies.

Risks Associated with Vecima's Compensation Policies and Practices

The CGCC is responsible for overseeing, and has periodically considered, risks associated with Vecima's compensation policies and practices. The practices Vecima uses to identify and mitigate compensation policies and practices that could encourage a NEO or individuals at a principal business unit or division to take inappropriate risks or excessive risks include

regular monitoring of the business and requiring approval by the Board of all major corporate decisions. Vecima has not identified any risks arising from Vecima's compensation policies and practices that are reasonably likely to have a material adverse effect on Vecima.

Recovery of Compensation

Vecima has not developed a policy regarding the adjustment or recovery of awards, earnings, payments or payables if the performance goal or similar condition on which they are based is restated or adjusted to reduce the award, earnings, payments or payables.

Financial Instruments

Vecima has adopted a policy to prohibit NEOs and directors from purchasing financial instruments that are designed to hedge or offset any decrease in the market value of the Corporation's equity securities that are held, directly or indirectly, by the NEO or director.

Significant Changes to Compensation Policies and Practices in Fiscal 2021

Except as described in this Information Circular, there were no material actions, decisions or policies that were made after June 30, 2020, the end of Vecima's most recently completed fiscal year, that could affect a person's understanding of the NEOs' compensation for the most recently completed financial year. Vecima is not planning to make any significant changes to its compensation policies and practices in fiscal 2021.

EMPLOYMENT AGREEMENTS AND TERMINATION AND CHANGE OF CONTROL BENEFITS

Sumit Kumar entered into a renewed employment contract with Vecima effective August 1, 2018 for an indefinite term. Vecima may terminate Mr. Kumar's employment without cause either by providing him with 24 months' working notice, or by giving him immediate notice of termination, continuing to pay his salary for 24 months, and paying him an amount equal to double the amount of his last aggregate annual bonus. The agreement also provides for non-competition covenants in Vecima's favour for a period of 18 months following the termination of employment. In the event of a change of control of Vecima, Mr. Kumar may treat the event as a notice of termination without cause. For the purposes of Mr. Kumar's contract, a "**Change of Control**" means a change in ownership representing 50% or more of the equity ownership of Vecima to a new party except for changes in ownership resulting from new shares offered on a recognized stock exchange and except for changes in ownership resulting from a transaction that takes Vecima private where the current majority shareholder retains ownership and control. If Sumit Kumar were involuntarily terminated by Vecima without cause or resigns with good reason after a change in control of the corporation, his cash payment would be \$614,086 termination occurring on June 30, 2020.

Dale Booth has an employment agreement with Vecima that allows the Corporation to terminate his employment without cause at any time by providing salary continuation for a period of six months.

Clay McCreery has an employment agreement with the Corporation that allows the Corporation to terminate his employment without cause at any time by providing salary continuation for a period of six months.

Dan Gledhill has an "at will" employment agreement that allows the Corporation to terminate without cause at any time.

Ryan Nicometo has an "at will" employment agreement that allows the Corporation to terminate without cause at any time.

In addition to the foregoing, Vecima's Stock Option Plan provides that immediately after the occurrence of a "Change of Control Event", all-outstanding options that have not vested shall immediately vest. A "**Change of Control Event**" means the entry by Vecima into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a change of control (any person directly becoming the owner of more than 50% of the voting shares of Vecima), a formal bid the completion of which would result in a change of control, and the determination by the Board that a change of control has occurred. If a "**Change of Control Event**" occurred on June 30, 2020, the NEOs would receive the following benefits pursuant to options granted to them under the Stock Option Plan.

Name	Benefit⁽¹⁾ (\$)
Sumit Kumar	0
Dale Booth ⁽²⁾	0

Name	Benefit ⁽¹⁾ (\$)
Clay McCreery	10,390.00
Dan Gledhill	0
Ryan Nicometo	4,156.25

NOTES:

- ⁽¹⁾ Aggregate amount based on the difference between the closing market price of the Shares on the Toronto Stock Exchange on June 30, 2020, being \$10.45, and the exercise price of the options for which vesting is accelerated as a result of a “Change of Control Event”.
- ⁽²⁾ Dale Booth was appointed to Chief Financial Officer on October 28, 2019. John Hanna, the previous CFO resigned from Vecima on October 25, 2019.

In addition to the foregoing, the PSU Plan provides that immediately after the occurrence of a “Change of Control Event”, 1/3 of the PSUs will vest if the Change of Control Event Share price is greater than or equal to \$12.00; 1/3 of the PSUs will vest if the Change of Control Event share price is greater than or equal to \$14.25; and 1/3 of the PSUs will vest if the Change of Control Event share price is greater than or equal to \$16.50. A “Change of Control Event” means the entry by the Corporation into an agreement with respect to a reorganization, merger, amalgamation or other combination, the completion of which would result in a change of control (any person directly becoming the owner of more than 50% of the voting Shares), a formal bid the completion of which would result in a change of control, and the determination by the Board that a change of control has occurred. If a “Change of Control Event” occurred on June 23, 2020, the NEOs would receive the following benefits pursuant to options granted to them under the PSU Plan.

Name	Benefit ⁽¹⁾ (\$)
Sumit Kumar	0
Dale Booth ⁽²⁾	0
Clay McCreery	0
Dan Gledhill	0
Ryan Nicometo	0

NOTES:

- ⁽¹⁾ Except as described above, there are no contracts, agreements, plans or arrangements that provide for payments to a NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Corporation or its subsidiaries or a change in a NEO’s responsibilities (excluding perquisites and other personal benefits if the aggregate of this compensation is less than \$50,000).
- ⁽²⁾ Dale Booth was appointed to Chief Financial Officer on October 28, 2019. John Hanna, the previous CFO resigned from Vecima on October 25, 2019.

PERFORMANCE GRAPH

The following graph compares the cumulative total return, assuming the reinvestment of dividends and distributions, of Vecima’s Shares with the cumulative total return of the S&P/TSX Composite Index and the S&P/TSX Small Cap Index for the period from June 30, 2015 to June 30, 2020. COMPOSITION OF THE BOARD OF DIRECTORS

Independence

The Board of Directors of Vecima (the “**Board**”) consists of six directors, four of whom are independent directors as defined in NI 58-101, meaning that, in each case, he has no direct or indirect relationship with Vecima which could, in the view of the Board of Directors, reasonably be expected to interfere with the exercise of his independent judgement, and is not otherwise deemed not to be independent. Applying the criteria in NI 58-101, each of T. Kent Elliott, Danial Faizullahoy, Ben Colabrese⁽¹⁾, and Derek Elder is an independent director. Sumit Kumar is not considered to be independent on the basis that he is an executive officer of Vecima. The Chair of the Board of Directors, Dr. Surinder Kumar is not an independent director given his large shareholdings of Vecima.

Note:

⁽¹⁾ Ben Colabrese is not being put forward as proposed director at the Meeting and his last day as Vecima director shall be December 6, 2020.

Lead Independent Director

The current Lead Independent Director is Kent Elliott. The Lead Independent Director performs the following functions:

Enhancing Board Effectiveness	Liason between Directors
1. Work with the Chair and Corporate Secretary to ensure the Board has adequate resources	1. In association with regularly scheduled Board meetings, chair meetings of independent directors to discuss issues relating to Vecima’s business without the presence of management or non-independent directors
2. Review the procedures in place to allow the Board to work effectively and to function independently from management	2. Communicate with the Chair and the entire Board, as appropriate, the results of private discussions among independent directors or the results of meetings of the independent directors

4. Ensure there is a process to implement best practices which relate to the responsibilities of the Board	4. Ensure that the Board understands and maintains the boundaries between Board and management responsibilities
5. Chair Board meetings when the Chair is unavailable	
6. Maintain a close and collaborative relationship with the Chair	
7. Assist in orienting and integrating new directors to the Board	

The independent members of the Board believe that the appointment of a **Lead Independent Director**, together with their majority on the Board, their sophistication and their knowledge of Vecima’s business, are sufficient to facilitate the functioning of the Board independently of management and in a manner that fairly represents the interests of minority shareholders, and to provide for open and candid discussion among the independent directors. The current Lead Independent Director is Kent Elliott.

When warranted, the independent directors hold meetings without the non-independent directors and other members of management in attendance and are able to hold such meetings whenever they wish. The Lead Independent Director

chairs these sessions and informs management of the matters discussed to the extent that action on them is required. In the fiscal year ended June 30, 2020, the independent directors held several such meetings. In addition, at each board meeting, the independent directors meet in camera providing the opportunity for open and candid discussion among the independent directors without non-independent directors and members of management present. Since the beginning of the issuer's most recently completed financial year at which non-independent and members of management are not in attendance the independent board of directors have had five meetings.

Attendance

Additional information on each of the directors is found in this Information Circular under the heading "Business of the Meeting – Election of the Board of Directors", including a record of each director's attendance record at Board and committee meetings held during the fiscal year ended June 30, 2020.

None of the directors of Vecima are directors of other issuers that are reporting issuers (or equivalent) in Canada or elsewhere.

BOARD OF DIRECTORS MANDATE

The Board has adopted a written mandate in which it explicitly acknowledges responsibility for its stewardship of Vecima. The text of the Board' written mandate is attached to this Information Circular as Appendix B.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board has two standing committees: the Audit Committee and the Corporate Governance and Compensation Committee.

Audit Committee

The Audit Committee currently consists of three directors: T. Kent Elliott, Danial Faizullahoy, and Ben Colabrese⁽¹⁾ all of whom are independent within the meaning of *National Instrument 52-110 – Audit Committees*. Pursuant to the written charter adopted by the Board (available on Vecima's website at www.vecima.com), the Audit Committee assists the Board in fulfilling its responsibilities for oversight and supervision of financial and accounting matters. The committee supervises the adequacy of Vecima's internal accounting controls and financial reporting practices and procedures and the quality and integrity of its audited and unaudited financial statements, including through discussions with Vecima's external auditors. The committee reviews Vecima's business plan and operating and capital budgets, and is responsible for ensuring efficient and effective assessment of management of financial risk throughout Vecima.

Following the Meeting the Audit Committee shall be composed of three members being **T. Kent Elliott, Danial Faizullahoy, and Derek Elder**. All of the audit members of the Audit Committee are "independent" directors within the meaning of *National Instrument 52-110 – Audit Committees*.

Corporate Governance and Compensation Committee ("CGCC")

The CGCC currently consists of four directors: T. Kent Elliott, Danial Faizullahoy, Ben Colabrese⁽¹⁾ and Derek Elder. All members are "independent" within the meaning of *National Instrument 52-110 – Audit Committees*. The Board believes that the appointment of an independent director as chair of the committee and the composition of the committee, all of the members of which are independent directors, promotes an objective process to oversee compensation and governance matters. Following the Meeting, **the CGCC shall be composed of three members being T. Kent Elliott, and Danial Faizullahoy and Derek Elder** - all are "independent" directors within the meaning of *National Instrument 52-110 – Audit Committees*.

Pursuant to the written charter adopted by the Board (available on Vecima's website at www.vecima.com), the CGCC is responsible for developing Vecima's approach to corporate governance issues and advising the Board on filling vacancies

on the Board. In addition, it periodically reviews the size, composition and compensation of the Board, the effectiveness of the Board and its members, and appropriate committee structures, mandates, composition, membership and effectiveness. The committee is responsible for succession planning in respect of the CEO. It also reviews the CEO's goals and objectives at the start of each year, and provides an appraisal of the CEO's performance for the most recently completed year.

The CGCC also fulfils the compensation review function to ensure that Vecima has a compensation plan that is competitive, motivating and rewarding for participants. Further information relating to the Compensation oversight function of the CGCC, including the process by which the Board is involved in determining compensation for Vecima's directors and officers, is provided in the Information Circular under the heading "Compensation Discussion and Analysis".

POSITION DESCRIPTIONS FOR THE CHAIR AND CEO

The Board has adopted a written position description for the Chair of the Board, but has not adopted written descriptions for the Chair of the Audit Committee or of the CGCC. The roles and responsibilities of the Chair of the Audit Committee and the CGCC are to implement the mandate of each committee. The Board has adopted a written position description for the CEO.

DIRECTOR ORIENTATION AND CONTINUING EDUCATION

The CGCC is responsible for assisting management with the orientation program for new members of the Board and the education program for all members of the Board.

Vecima has a variety of orientation and education programs in place for current and new directors to ensure directors understand their role and the role of the Board and its committees, as well as, the nature and operations of Vecima's business. All new directors receive a Board reference manual containing a record of historical public information about Vecima, as well as the mandates of the Board and its committees, and other relevant corporate and business information. New directors also meet with the lead independent director, the CEO and the CFO. Senior management makes regular presentations to the Board on the main areas of Vecima's business.

The Board encourages directors to participate at Vecima's expense in continuing education opportunities in order to ensure that the directors may maintain or enhance the skills necessary to meet their obligations as directors, and maintain a current and thorough understanding of Vecima's business.

Vecima typically holds an annual retreat at which members of the Board meet with senior management to discuss items such as Vecima's business, technology, products, services, competitive environment and strategy as well as the roles and responsibilities of the Board and senior management regarding oversight of items such as strategic direction, risk management, and financial reporting.

ETHICAL BUSINESS CONDUCT

The Board has adopted a written code of business conduct and ethics ("**Code of Conduct**"). A copy of the Code of Business Conduct and Ethics is available on Vecima's website at www.vecima.com or SEDAR at www.sedar.com.

Vecima regards maintaining a culture of ethical business conduct as critically important. The Board is responsible for monitoring the Code of Conduct and requires management to assume responsibility for the conduct of those who report to them. This means ensuring that the Code of Conduct is clearly communicated, leading by example, establishing and maintaining controls designed to prevent or detect breaches, appropriately investigating situations which may indicate a breach and dealing appropriately with known breaches. All known or suspected breaches of the Code of Conduct are required to be reported to the Corporate Secretary of Vecima.

The Code of Conduct requires all directors, officers and employees of Vecima and its subsidiaries to not have any private interests that interfere or conflict in any way with the interests of Vecima, or impair, or could be perceived to impair, such person's business judgment. Each director is required to inform the CGCC of any conflict of interest he or she may have with Vecima. If a director has a personal interest in a matter before the Board or a committee, he or she must not participate in any vote on the matter except where the Board Directors or committee has expressly determined that it is appropriate for him or her to do so.

Insider Trading

Vecima has adopted an Insider Trading Policy to educate and guide employees on their legal obligations surrounding the use of material, non-public information and on trading in its Shares... A copy of the policy is available on Vecima's website at www.vecima.com.

Corporate Disclosure

Vecima has implemented a Confidentiality and Disclosure of Information Policy to educate and guide employees on their legal obligations surrounding the disclosure of confidential corporate information. A copy of the policy is available on Vecima's website at www.vecima.com.

NOMINATION OF DIRECTORS

The CGCC is responsible for proposing new nominees to the Board.

In making recommendations to the Board, for the nomination of individuals as directors, the CGCC considers the competencies and skills that the Board considers necessary for the Board, as a whole, to possess. The Committee also considers the competencies and skills that the Board considers each existing director to possess, the competencies and skills each new nominee would bring to the Board, and whether or not each new nominee can devote sufficient time and resources to his or her duties as a member of the Board. The committee may also make recommendations to the Board with respect to possible director candidates that have the independence and expertise required for effective governance according to applicable regulatory requirements.

BOARD OF DIRECTORS ASSESSMENT

The CGCC makes recommendations to the Board with respect to the establishment and implementation of procedures to review the contribution of individual directors and the effectiveness of the Board and its committees, including the completion of directors' questionnaires and the dissemination of results to the Board.

DIRECTOR TERM LIMITS AND OTHER MECHANISMS OF BOARD RENEWAL

Vecima has not adopted term limits for directors as the Board believe the imposition of arbitrary term limits may result in an effective director being disqualified and discounts the value of experience and continuity. The CGCC is responsible for assessing the effectiveness of the Board and board renewal is one of the factors the committee utilizes in its evaluation. On an ongoing basis, a balance must be struck between ensuring that there are fresh ideas and viewpoints while not losing the insight, experience and other benefits of continuity contributed by longer serving directors.

DIVERSITY

The CGCC considers the diversity of the Board, including the level of representation of women, as one of the factors in identifying and nominating candidates for election or re-election to the Board. The other factors that the committee considers are: the competencies and skills that the Board considers to be necessary for the Board, as a whole, to possess; the competencies and skills that the Board considers each existing director to possess; the competencies and skills each new nominee shall bring to the Board; and whether each new nominee can devote sufficient time and resources to his or her duties as a member of the Board.

Vecima has not adopted a written policy relating to the identification of women directors. The CGCC is required to annually evaluate the effectiveness of the Board and maintain a succession plan. One of the factors that it considers is diversity, including gender diversity. Other factors that the committee takes into consideration are the current strengths, skills and experience on the Board, any planned retirement dates and the strategic direction of Vecima. Accordingly, the Board does not believe a written policy relating solely to the identification of directors based upon gender is necessary.

Vecima has not adopted a target regarding women on the Board. Diversity, including gender diversity, is one of the factors that the CGCC considers in identifying and nominating candidates for election or re-election to the Board. The other factors that the committee considers are described above. The CGCC believes all of these factors are relevant to ensure high functioning members of the Board and that establishing targets based upon only gender may disqualify desirable director candidates. None of the directors of Vecima are currently women.

Vecima considers diversity in its executive officer positions, including the level of representation of women, as one of

the factors in making executive officer appointments. Vecima also considers the skills and experience necessary for the position. Vecima has not adopted a target regarding women in executive officer positions of Vecima. Diversity, including gender diversity, is one of the factors that Vecima considers in identifying executive officers. The other factors that Vecima considers are described above. Vecima believes all of these factors are relevant to ensure appropriate executive officers and that establishing targets based upon only gender may disqualify desirable executive officer candidates. Currently, none of the executive officers of Vecima are women.

Directors who change their principal occupation are expected to advise the CGCC and, if determined appropriate by the CGCC, resign from the Board.

4.2 Director Independence

The Board believes that, except during periods of temporary vacancies, not less than half of its members should be Independent Directors.

In all cases, the determination of whether a director is independent must be made by the Board in accordance with applicable securities laws and stock exchange rules. Generally, an Independent Director means a director who has no direct or indirect material relationship with Vecima. For these purposes, "material relationship" means a relationship which could, in the view of the Board, reasonably interfere with the exercise of a member's independent judgment.

In making a determination regarding a director's independence, the Board shall consider all relevant facts and circumstances, including the director's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships and such other criteria as the Board may determine from time to time.

Directors must advise the Chair in advance of accepting an invitation to serve on the board of another public company.

The Corporate Secretary keeps minutes of the proceedings of the Board and each of its committees and circulates copies of the minutes to each Board or committee member, as the case may be, on a timely basis.

11. Director Compensation

The Board believes that compensation for directors should be commensurate with the compensation paid to directors of comparable companies.

Directors who are employees of Vecima or any of its affiliates do not receive any compensation for service as directors.

12. Director Orientation and Continuing Education

New directors receive orientation materials describing Vecima's business and its corporate governance policies and procedures. New directors also have meetings with the Chair, Lead Independent Director, CEO and CFO.

The CGCC is responsible for reasonably confirming that procedures are in place and resources are made available to provide directors with appropriate continuing education opportunities.

13. Board Access to Management and Advisors

Directors have access to members of management and are encouraged to raise any questions or concerns directly with management. The Board and its committees may invite any member of management, outside advisor or other persons to attend any of their meetings.

The Board and any of its committees may reasonably retain an outside advisor at the expense of Vecima at any time and have the authority to determine the advisor's fees and other retention terms. Individual Directors may retain an outside advisor at the expense of Vecima with the approval of the CGCC to a maximum of \$20,000.

14. Performance Assessment of the Board and its Committees

The CGCC should annually review the effectiveness of the Board in fulfilling its responsibilities and duties as set out in these guidelines.

In addition, the CGCC should annually review the effectiveness of all Board committees in fulfilling their responsibilities and duties as set out in their mandate and in a manner consistent with these guidelines.

The CGCC should evaluate Individual Directors to assess their suitability for nomination for re-election.

15. Codes of Ethics

The Board expects all directors, officers and employees of Vecima to conduct themselves in accordance with the highest ethical standards.

The Board should adopt and approve a Code of Business Conduct and Ethics for directors, officers and employees which addresses, among other things, avoidance of conflicts of interest, including transactions and agreements in respect of which a director or executive officer has a material interest, protection and proper use of corporate assets and opportunities, confidentiality of corporate information, fair dealing with Vecima's security holders, customers, suppliers, competitors and employees, compliance with applicable laws, rules and regulations and the reporting of any illegal or unethical behavior. As set out in the Code of Business Conduct and Ethics, an employee who, in good faith, reports a concern regarding accounting matters or a suspected breach of the Code of Business Conduct and Ethics is protected from reprisal, such as dismissal, demotion, suspension, threats, harassment or discrimination.

The Code of Business Conduct and Ethics should be available in print to any shareholder who requests a copy.

16. Indemnification and Insurance

In accordance with the by-laws of Vecima, directors and officers are each indemnified by Vecima against all liability and costs arising out of any action or suit against them from the execution of their duties, provided that they have carried out their duties honestly and in good faith with a view to the best interests of Vecima and have otherwise complied with the provisions of applicable corporate law.

Vecima maintains insurance for the benefit of its directors and officers against any liability incurred by them for which they would be indemnified. The amount and terms of the insurance coverage are dependent upon prevailing market conditions and practices with the objective of adequately protecting directors and officers from such liability.

17. Conflicts of Interest

Each director is required to inform the CGCC of any conflict of interest he or she may have with Vecima. If a director has a personal interest in a matter before the Board or a committee, he or she must not participate in any vote on the matter except where the Board or the committee has expressly determined that it is appropriate for him or her to do so.
